

National Student Business Plan

COMPETITION

10

In 2010 the National Student Business Plan competition will once again attract the best and brightest pharmacy students from across the country. With over \$15,000 in cash and prizes on offer, teams will have the opportunity to present their innovative ideas live on stage at the Pharmacy Women's Congress to be held in Hobart.

The National Student Business Plan Competition has been designed to promote creative entrepreneurship amongst pharmacy students and encourage the development of viable, innovative, pharmacist-owned community pharmacies.

Following the rigours of clinical study and achieving full registration as a pharmacist, approaching the task of owning or managing a business may seem overwhelming. Let this competition be a springboard to getting those first ideas on paper and have some fun in the process.

Get a team together at your School of Pharmacy and submit a business plan for the purchase of a new or existing pharmacy. The choice is yours.

Information on the National Student Business Plan Competition and eligibility to enter will be available from 1 January 2010 on the Pharmacy Guild of Australia website at: www.guild.org.au/buyingandsellingapharmacy

Over \$15,000 in cash and prizes on offer!
